Introduction

It is my distinct privilege as a Virginian and veteran to share with you ***In Service to Our Country.***

On behalf of the Virginia Department of Veterans Services, the Commonwealth, and the Nation, I extend my sincere gratitude to these public servants for their military service and for their continued daily work to make Virginia the most veteran-friendly state in the nation.

Enclosed is a brief summary of the military service rendered by your public servants. I invite you to take a moment to recognize them, and perhaps most importantly, to remember all those who have worn the uniform of our country. We need to serve our veterans as well as they have served us.

In Service to Our Country

The first edition of this special publication was over a decade ago and the work on this directory spanned more than a year. During this past year two senior veteran legislators retired. We salute them for their service to our county and their long service to the Commonwealth of Virginia.

The Virginia National Guard is a unique dual-status force with a federal mission to serve as a combat reserve to help fight our nation's wars and a state mission to answer the call of the Governor when citizens of the Commonwealth are in need. More than 9,000 personnel in the Virginia Army National Guard, Virginia Air National Guard and Virginia Defense Force serve in more than 40 communities that crisscross the state from Winchester to Abingdon, Staunton to Virginia Beach, Manassas to Emporia and Danville to Warrenton.

Since September 11, 2001, more than 15,000 Virginia Guard Soldiers and Airmen have mobilized on federal active duty for homeland security missions and combat operations, sustainment support and peacekeeping in Iraq, Afghanistan, Bosnia, Kosovo and other locations around the world.
